JOURNAL OF THE AMERICAN PHARMACEUTICAL ASSOCIATION

index

Volume NS8 1968

This annual index consists of a general index (**pages 676–680**), an index to authors of all articles published in 1968 (**page 680**) a cumulative index of advertisements showing advertisers and products advertised (**page 680**). To simplify using the index, a listing of the pages contained in each issue according to month appears at right.

issue	pages	issue	pages
January	1–56	July	313–416
February	57–104	August	417–464
March	105–160	September	465–520
April	161–216	October	521–568
May	217–272	November	569–616
June	273–312	December	617–680

The first thing to save for your old age is you!

If you are planning for retirement, make sure you're around! A complete health checkup each year will help you make it. 1,400,000 people, living today, are cured of cancer. And a yearly checkup could save many thousands more. Make an appointment with your doctor today.

American Cancer Society®
